

A13 Design, Build, Finance and Operate (DBFO)

The A13 DBFO is a regulated Private Finance Initiative (PFI) contract, which is operated and maintained by a Concessionaire (Road Management Services A13 plc), on behalf of Transport for London.

The A13 DBFO network spans between Butcher Row (Tower Hamlets) and Wennington Interchange (Havering), plus a section of Docklands Roads, including Lime House Link Tunnel and East India Dock Tunnel.

The A13 DBFO operates an independent licensing process, for all licensing requests, please e-mail; SMBA13DBFOTeamRd@tfl.gov.uk and Enquiries@rmsa13.com.
