

## **Access to O2 – Limehouse Link**

In response to concerns about access to and from the O2 at North Greenwich, the programme of engineering works in the Limehouse Link has been revised. On nights when there are events at the O2, works on the Link will be starting at midnight which is later than previously planned.

The programme of Link closures to late October is attached. Closures normally take place on Tuesday to Saturday nights, and finish at 5 am.

The main events at the O2 finish at 11 pm (10.30 on Sundays). Smaller numbers will be present at after-show parties and some film showings finish later.

We will provide further information on events at the O2 as this becomes available.
