BBC4 'Cab Night'

On Saturday 26 July 2008 at 9:00pm, BBC4 will be screening a documentary on London's taxis and taxi drivers. The documentary, *Arena: Cab Driver*, will follow five different London taxi drivers and present their stories and experiences as licensed taxi drivers in the Capital.

The *Arena* documentary is part of the BBC 4 'Cab Night' which begins at 7:00pm and will also feature *The Knowledge* (1979), *Mastermind* (1980) and *Modern Times: Streetwise* (1996).

I'm sure it will be of interest to all of us who are or have been connected with London's illustrious and historic cab trade. Remember to record it if you are working that night!
