

Transport for London

Public Carriage Office

The O2, North Greenwich

The O2 is hosting a series of 21 concerts by Prince from Wednesday 1 August 2007, and it is expected that demand for all public transport, including taxis, will be high at these concerts and other major events held at The O2.

There is an existing taxi rank at North Greenwich station to serve The O2. All London and Greenwich licensed taxi drivers are encouraged to serve this rank during events.

Further information about all events scheduled for The O2 can be found at www.theo2.co.uk or by emailing The O2 Customer Services & public enquiries at customerservices@theo2.co.uk.
