

## Policy Statement for The Mayor's Green Procurement Code

---

Transport for London (TfL) will proactively conduct its *procurement process* in line with the Mayor's Green Procurement Code. Within its obligations as a Best Value Authority, and in compliance with EU and UK legislation, TfL will adopt the principles of '*Reduce, Reuse, Recycle*' and '*Buy Recycled*'. TfL is committed to applying these principles in procurement of Goods, Works and Services, where the required criteria for performance and cost effectiveness can be met. TfL will actively promote 'The Mayor's Green Procurement Code' throughout its supply chain.
