

Bus route ELC withdrawn from Saturday 26 September 2009

Bus route 225 provides an alternative service between Canada Water, Surrey Quays and New Cross.

Valid London Underground tickets will be accepted on route 225 between Canada Water and New Cross via Surrey Quays and will continue to be accepted on route 381 between Rotherhithe and Surrey Quays via Canada Water.

We are progressing well with the building of the East London line extension, which will open as part of London Overground in Summer 2010.
