The leaflet includes information on bus and tram fares and tickets; and details of our travel concession schemes. For the most up-to-date information, please visit tfl.gov.uk/fares

Your fares and tickets from 2 January 2009

What's new for 2009?

Off-Peak Oyster single fares on the Tube, DLR and London Overground will also apply on Monday to Friday between 0930 and 1600. As a result, some fares will be reduced by over 35 per cent.

Oyster – the smarter way to travel

Oyster is generally the easiest and cheapest way to make single journeys in London, whether you're travelling by bus, Tube, tram, DLR, London Overground or National Rail services where pay as you go is accepted. It's also a convenient way to manage your weekly or longer travel needs.

You can get your Oyster card, top it up and buy tickets at:

- tfl.gov.uk/oyster
- Tube and London Overground station ticket offices and touchscreen ticket machines
- Oyster Ticket Stops*
- by phone on **0845 330 9876†**

For more information visit tfl.gov.uk/fares

*Oyster Ticket Stops are a network of independent retailers acting as agents of Transport for London.

†Calls from BT landlines cost 3.5p per minute (current at December 2008). Calls from mobiles and other networks may vary.

Touch in Touch out

To ensure you pay the correct fare on Tube, DLR, London Overground and National Rail services where Oyster pay as you go is accepted, you must always touch in on the yellow reader at the start of your journey and touch out at the end. If you don't, you will be charged a maximum cash fare.

On buses and trams you must touch in on the yellow reader at the start of your journey but not at the end.

Check for the green light, accompanied by one beep (multiple beeps for 5-10 and 11-15 Oyster photocard on buses and at tram stops) when you touch in on a yellow reader to ensure your card has been validated. If you get a red light with two beeps it means your card has not been accepted and cannot be used for travel. Please ask a member of staff for advice.

Penalty fares

If you do not hold a valid ticket for the whole of your journey or a validated Oyster card, you will be liable to a Penalty fare or you may be prosecuted.

Registration

To ensure the credit or tickets on your Oyster card are protected if your card is lost or stolen, register it at any Oyster Ticket Stop, Tube or London Overground station.

Tube, DLR and London Overground

The Tube, DLR and London Overground single fares tables show:

- Oyster single fares
- Cash single fares for the Tube and DLR
- Cash single fares for journeys from the Tube and DLR to London Overground.
- Peak Oyster single fares which apply from 0630 to 0930 and from 1600 to 1900 Monday to Friday (excluding public holidays). At all other times, the Off-Peak Oyster single fare applies.

Some Tube, DLR and London Overground journeys are defined as requiring travel via Zone 1 and will be charged and capped accordingly, irrespective of the actual route taken.

Your Tube, DLR, London Overground and National Rail pay as you go journey must be completed within a time limit from when you touched in at the start of your journey. The time limit varies between 70 minutes for the shortest journeys on Monday to Friday and four hours for some longer journeys on Sunday. If the time between touching in and touching out at the end of your journey is more than the time limit you will be charged more than the Oyster single fare for your journey. If this happens, you will need to call the Oyster helpline for assistance

London Overground

- Special cash single fares apply for journeys wholly on London Overground; please ask at your local station for details
- Special Oyster single fares apply between Watford Junction and Euston (National Rail) and intermediate stations. For local journeys between Watford Junction and Euston (National Rail) and intermediate stations, **Peak** Oyster single fares apply as follows:

Towards Euston:

Monday to Friday from 0630 and before 0930.

Away from Euston:

Monday to Friday from 1600 and before 1900.

Off-Peak Oyster single fares apply at all other times.

Please note that the fare charged is set at the time you touch your Oyster card on the yellow reader at the start of your journey. For example, if you plan to catch a train that leaves Euston after 1900, but touch in before 1900, you will be charged the Peak Oyster single fare.

The daily price cap is the most you pay in one day when you use Oyster to pay as you go on bus, Tube, tram, DLR, London Overground and some National Rail services.

The appropriate Off-Peak daily price cap will apply for all journeys on the same day:

- Monday to Friday: from 0930 and any journey that starts before 0430 the following day,
- Saturday, Sunday and public holidays: from 0430 and any journey that starts before 0430 the following day.

The appropriate Peak daily price cap will apply if you travel from 0430 and before 0930 Monday to Friday (excluding public holidays).

If you only use buses and trams, the bus and tram daily price cap will apply.

Travel as much as you like in one day using a Day Travelcard or Group Day Ticket.

Note: if you intend to use National Rail services where Oyster pay as you go is not accepted, a Day Travelcard may be a better option.
