The Mayor requested that the GLA Group be as transparent as possible in relation to Games-related gifts and hospitality. TfL committed to publish, on tfl.gov.uk., details of offers of tickets to Games events and related hospitality made to its staff and that information is below.

Additionally, TfL, with LOCOG and Network Rail hosted nine Olympic Networking Events at various venues in the months leading up to the Games. The cost of these were shared and staff from all three hosts attended as did representatives of other bodies with interest in the Games.
