Your Feedback

You Suggested	We Did
Fencing at Kennington had been contaminated with grease	The anti-climb paint was quickly cleaned away by FLO and the fence line was repositioned so as to block the opening in the fence, making it safer for everyone. Neighbours expressed their thanks.
More information and engagement about works	Provided visual and audio presentation at CLG's and Drop In Sessions. Last one at Kennington Park 28 September
Dust and noise mitigation	Jet Spray equipment moved and noise mitigated where possible. Extra acoustic blankets have been installed on site. Redirection of the dust extractor at Kennington Park.
Light pollution from Kennington Sites	Affected residents were visited and lights have been redirected and shielded where possible.
Liaison with new Kennington Park Road Resident's Association.	TfL representative attended meeting and contact established.
Recording studio sensitive to SPJ tunnelling	Management was advised in advance of predictive tunnelling activity so they could organise work around the studio times. Owner appreciated the liaison and thanked for the heads up.

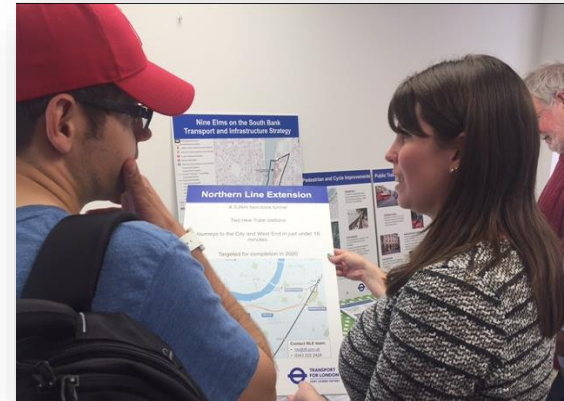

Kennington Park Working Hours

- Excavation of the shaft and tunnels continues to be 24/7
- Core hours are 08:00 to 18:00 Monday to Friday and Saturday 08:00 to 13:00 for surface works.
- NLE have applied for an extension of delivery times during the weekends. This application has been accepted by Lambeth, however no use of extended deliveries is planned, except due to unforeseen circumstances, to provide services to the 24/7 underground operations.
- NLE continue to monitor works to ensure Best Practicable Means are being used.
- Some sub-surface work may be heard in properties directly above it. NLE will endeavour to minimise any possible night time disturbance to acceptable hours.

NLE Engagement Opportunities

- CLG meetings
- One to one meetings
- Drop in sessions
- School and Youth

Engagement

- Stakeholder Activities
- LEAP group meetings
- Cycling safety Events

Ways to contact us

- It is important that calls are logged through the NLE 24/7 helpdesk on 0343 222 2424 (Option 1)
- Email nle@tfl.gov.uk
- Drop In sessions
